Our Relationship with BBPS Ltd

We are a Partner Broker of BBPS Ltd. BBPS Ltd is an independent insurance intermediary, authorised and regulated by the Financial Conduct Authority (FCA). Their Financial Services Register number is 307079. These details can be checked on the Financial Services Register by visiting the FCA's website at <https://register.fca.org.uk/> or by contacting the FCA on 0300 500 8082. BBPS Ltd provides us with access to products and services. BBPS Ltd may receive remuneration from insurers, finance providers and other associated business partners for business we place with them. Please ask us if you would like further information.

Client and Insurer Money

We are not authorised to handle client monies, all client money is handled by BBPS Ltd. Details of who BBPS Ltd are, are shown above. BBPS Ltd hold all client money in a trust account, the purpose of which is to protect you in the event of financial failure since, in such circumstances, general creditors would not be able to make claims on client money.

If BBPS Ltd hold money on a client's behalf, it will be held in a trust fund that is separate from their own cash assets. These separate trust fund arrangements are commonly known as 'client money'. If they were ever unable to pay their debts, then those to whom they owe money (their creditors) should not be able to make claims on their client money in the separate trust funds as it does not form part of their own cash assets.

The trust arrangement BBPS Ltd use for client money is known as a non-statutory trust. Here, they may use premiums and claims monies they receive to fund other clients' premiums and claims; for example, they may pay a premium on to an insurer before they have received it from the client if they believe it is in the best interests of that client.

BBPS Ltd have agreements with some insurers (known as 'risk transfer agreements'). Under these risk transfer agreements, the insurers agree that they are responsible to you for any premium that you have already paid to us, and that the insurer remains responsible for any premium refunds or claims payments until the premium refund or claim payment is received by you. In this case BBPS Ltd may hold client money due to or from the insurers in the same trust fund.

Where BBPS Ltd do not have risk transfer agreements in place with insurers, the client money they hold will still be protected within the non-statutory trust. Money held as client money has priority over insurers to the money in the trust fund as insurers granting risk transfer have agreed to subordinate their interests in the trust to those of BBPS Ltd non risk transfer clients.

BBPS Ltd do not use client money to pay commission before they receive your premium.

When BBPS Ltd hold client money in trust for you this gives rise to fiduciary duties upon them that will not be discharged until the client money is deemed to have reached the insurer or product provider (as detailed above, this is when they receive premium in case of risk transfer agreements).

Without affecting BBPS Ltd.'s fiduciary duties to you, in some cases they may:

- i. hold client money in accounts which are outside of the United Kingdom and which may be subject to different legal and regulatory conditions and may be treated differently in the event of a bank failing. If you are a consumer (a person who buys products or services for personal use and not for business purposes) you can ask them not to put your client money in an account in a particular country
- ii. pass client money to another intermediary, including ones outside of the United Kingdom where different legal and regulatory conditions apply and where money may be treated differently in the event of an intermediary failing. If you are a consumer, you can ask them not to pass your money to an intermediary outside of the United Kingdom or in a particular country.
- iii. arrange to hold certain investments with a value at least equal to the money that would otherwise have been paid into a separate client account. If they do this, they will be responsible for meeting any shortfall in the client money funds if the shortfall is due to a reduction in the market value of those investments.

If, in the process of handing client money, they earn interest or benefit from investment income or from foreign rate movements, they will keep any such amounts.

Payment Options

We normally accept payment by bank transfer, cheque or the following credit/debit cards - Visa, MasterCard and Maestro. We DO NOT accept payment in cash.

Are We Covered By The Financial Services Compensation Scheme (FSCS)?

We are covered by the Financial Services Compensation Scheme (FSCS).
